

We are excited to see you in the Island Showroom here at the Island Resort & Casino! As always, we strive to provide superior service and quality entertainment for our guests. To do this in the safest manner while keeping the health of our guests and employees the number one priority we have outlined these guidelines and expectations to ensure a healthy return.

Guest Arrival and Personal Protection:

- ❖ All seats, doors and railings will be sanitized prior to every show.
- ❖ Smoking is only permitted in the Smoking Lounge located in Club Four One.
- ❖ All active entrances to the Island Resort & Casino will have Island staff present to conduct a temperature check. All checks will be done with an infrared thermometer not requiring personal contact.
- ❖ Customers and employees with a temperature above 100.0 without exception will not be admitted. We recommend following up with the CDC guidelines at this point.
- ❖ Employees and guests are required to wear a mask while within the Island Resort & Casino. Personal masks may be worn or (1) is available at the door.
- ❖ Face shields may be worn in coordination with a face mask.

While in the Island Showroom:

- ❖ Masks are required at all times while in the Showroom. Please only unveil your mouth and nose while taking a drink.
- ❖ Please stay in your seated area unless leaving or returning to the Showroom.
- ❖ Releasing of the audience to the stage area will not be allowed. Please respect the performer's space and do not approach the stage area.
- ❖ Please be respectful to other's individual space.
